

# Help your neighbor in their greatest time of need

Every day people are forced from their home due to disasters. Single and multiple family fires account for 90% of disaster responses. Compassionate and committed Disaster Action Team volunteers respond day and night to meet the immediate needs of their neighbors. Assistance given may include financial assistance for food, clothing and lodging, emotional support and more.

*The need is urgent... the opportunities are great:*

**Disaster Response Volunteer** - A Disaster Responder is an adult volunteer that supports community disaster relief. They train, prepare and are on-call to respond, so that families don't have to face tough times alone. Volunteers are urgently needed to support their local Disaster Action Team!
