

THE WARDROBE

SERVING YOUTH IN FOSTER AND KIN CARE

Who We Are

We are a newly established nonprofit organization that offers a no-cost shopping experience for youth in both foster and kinship care. We primarily offer quality clothing, but also an array of backpacks, hygiene items, hair accessories, and other personal items for youth to be able to "shop" from at no charge for their own personal use.

Unexpected placement?

Reach out! We try to accommodate last minute needs as best as resources allow.

Location:

Our shopping location is currently operating out of a private residence in Caldwell, ID near the intersection of Highway 20/26 and Middleton Road. Also, we offer packs of clothing assembled according to your request which can be picked up anytime from our Meridian Office.

Want to Help?

While we raise the funding for a permanent home, we need a space (larger than our current 200 sq ft) where youth can receive our services for 6-12 months. The space must be 500+ sq. ft., have heating, and be located central to the Treasure Valley.
