

"Everyone Deserves a Chance to Play Baseball"

It's more than just a game...

The Miracle League of the Triangle, a baseball league for individuals with special needs is excited about a spring season full of opportunities. This one-of-a-kind program provides a safe, positive environment for individuals with disabilities to participate in a team sport.

Our game rules are simple. Everyone hits. Everyone gets on base. And everyone crosses home plate. As a volunteer-driven organization our players count on people like you to help. Won't you consider getting in the action and helping someone play America's favorite pastime?

"We can't wait to do this again!"

Whether volunteering individually or as a group everyone says it. By giving only a few hours of your time, you will not only make a difference in the life of someone with special needs, but also grow as a person. Volunteering as a group builds camaraderie and a sense of community involvement - a lesson that cannot be taught in a classroom, practice field, or board room. All volunteers must be 12 yrs. and up. Volunteer opportunities include:

Buddies
Announcers

Coaches (ages 15 and up)
Sound System

Umpires
