

Louise Summerhill founded Birthright in 1968 in Toronto, Canada, with these words as her guide and inspiration. They continue to perfectly describe the attitude and approach of Birthright today.

In 1972, Birthright Lake, Inc. became a chapter of Birthright International.

Birthright Lake, Inc. offers free, non-judgmental, confidential help and support to pregnant girls, women and families who are struggling due to personal and/or financial challenges. Committed to the spirit of nurturing life, Birthright is dedicated to helping through tangible, positive and loving support.
