

GLORY DAYS

SENIOR DAY PROGRAM

The best way to spend the day

Glory Days is a non-profit organization that provides a social/recreational day care program for seniors with memory loss and other age related concerns. We look beyond the diagnosis and creatively make our members' day special.

We have seen isolation and loneliness arise in care recipients as well as caregiver burnout in families, yet resources that help with relief are often too costly. Glory Days was born to provide a solution to this commonly seen scenario.

Our program is dedicated to bring joy to our members while they build friendships with their peer participants and to offer a support system for member families by providing a break in giving care.

Services

We take pride in offering special events and programs above just the regular to better enrich the lives of our members.

Activities may include music, art, light exercise like tai chi, gardening, dance, history, wellness and so much more. Our members also enjoy serving a purpose through activities that give back to their communities, like writing letters to veterans or making blankets for children's hospitals.

See our website for our activity calendar, program hours, and membership rates.

How to Support our Mission

As a 501(c)3 non-profit, we rely on the generous support of our community to keep our programs going as an affordable resource. This is all made possible through charitable contributions and volunteers.

Contributions

If you would like to make a monetary contribution, we have Venmo and Paypal available or you can reach out to us directly.

Venmo

Paypal
