

SOMD Hurricane Relief Coordination

Together as a community we can make a difference. This is the list of most needed items to assist families in Florida, East Tennessee and West North Carolina. Use this QR code to visit the group for the most up to date information and donation drop locations. Together, let's make sure no truck leaving headed south with donations and relief items, leaves half full.

If you are a truck headed south, please reach out and ask us for help!

PLEASE NO CLOTHES AT THIS TIME (Coats, sweaters and outer winterwear still welcome)

****For any used coats or bedding items, please wash all items before dropping off. Many of these families have allergies and we unfortunately cannot accept items with residual smoke, pet, or mold odors. Pet-friendly donations are accepted.****

Please Call Brandy at 509/270-6217 or Laura at 301-538-0387 for pick-up. Please find us on Facebook for more information on current donation drop off locations or how we can help your organization leave with a full truck.
