FEEL HEROIC VOLUNTEER

Oklahoma Blood Institute
Texas Blood Institute
Arkansas Blood Institute

Why Volunteer?

- Enhance your resume
- Earn service learning hours
- Flexible hours
- Variety of tasks
- Easy communication with your local volunteer coordinator
- Hands on experience
- Engage in philanthropy
- Feel proud to give back
- Help save lives in your local community
- Leadership development
- Scholarship service hours
- Networking opportunities
- Work Experience

“I interned at the Blood Institute the summer after my freshman year at college, volunteering 250 hours. The workplace environment was supportive, engaging and joyful. I absolutely loved my time there. To this day, I am still in touch with the manager with whom I worked.”

Jordan Hoehne

How Do I Get Started?

1. **Connect with us** by filling out a volunteer form at obi.org/volunteer (Oklahoma), arkbi.org/volunteer (Arkansas) or txbi.org/volunteer (Texas) to get started!
2. **Meet with your local volunteer coordinator** to find the opportunities that best meet your interests and skills.
3. **Begin making a difference** in your community by giving time and service!

“The Blood Institute is a great organization with excellent values and a marvelous staff. I highly recommend internships there. The experience and skills you will learn are priceless and will benefit you far into the future.”

Jordan Hoehne
