your help**

today.

Become a Hospice Volunteer

Our patients need your companionship. They need your help to read and write letters, play music and create a life story. We are also looking for administrative and bereavement support. We can work with any schedule. There is no minimum or maximum requirement of your volunteer time. If you are age 16 and older, our Hospice families would be blessed by your compassion and help. Become involved in “making a difference” in their life and see what a difference it can make in yours.

Integrity is a Christian-based company.
