

# BE A FRIEND OF PROJECT LINUS!

## WHAT PROJECT LINUS DOES:

Helps to provide love, a sense of security, warmth and comfort to young ones who could use a 'hug'... babies arriving into this world, children/teens that are ill, experiencing some type of trauma or loss, undergoing invasive/scary procedures, etc... and they can get that 'hug' through blankets that are lovingly created by volunteer **'BLANKETEERS'**.

## WHAT THE ADAMS COUNTY CHAPTER DOES:

We donate our time and often our own materials to create handmade blankets that will be given to the young ones in need.

We get together monthly to share our projects while providing friendship, encouragement, and support to each other.

Our get-togethers take place on the 3<sup>rd</sup> Friday of every month,  
7:00 pm - 9:00 pm,  
at the Fairfield Mennonite Church,  
200 W. Main Street, Fairfield, PA.

## HOW CAN YOU HELP:

Donate homemade blankets to our Chapter to be used for the young ones in our area (and others) that can use a hug...

Donate supplies (kid-friendly prints/colors) to our Chapter or our Blanketeers to use in making blankets...

Donate money to our Chapter or the Project Linus Organization. Your donation will help buy material and supplies for these blankets.

You can send your donation to **Cindy Sanderson, (717-968-1513)** Coordinator for the Adams County Chapter of Project Linus), or send it directly to the Project Linus Organization. (Please list the Adams County Chapter on the 'Note' line of your check.)

All proceeds go toward Project Linus and the creation of our blankets. With your help we can give comfort to even more children!
