

# Empowering Local Women in Their Fight Against Breast and Gynecological Cancer

Support Sisterz began as a group of friends supporting each other through the challenges of breast cancer. In 2015, this sisterhood flourished into a passion to empower other women facing similar battles. By 2016, this passion evolved into a nonprofit 501(c)(3) organization dedicated to assisting women battling breast and gynecological cancer.

## Our Mission and Services

Our mission is to provide emotional and financial support to women battling cancer. We offer emotional support through monthly support meetings, an online support group, and one-on-one connections. Financially, we assist women in Corona, Norco, Eastvale, and surrounding areas. Each woman's needs during cancer treatment are unique, our goal is to fill the gaps that insurance or other assistance programs cannot. By getting to know the women we help on a personal level, we determine what they need to improve their quality of life.

## Community Impact

Thanks to our generous community and the funds raised through our Annual Combat Cancer Walk, we granted over \$99,000 in 2022 and over \$84,000 in 2023 to assist with daily needs and medical expenses. This means fewer women are left unsupported. We have helped with rent, utilities, groceries, gasoline, wigs, prosthetics, household and personal items, medications, co-payments, and treatments not covered by insurance, among other needs. Support Sisterz is entirely volunteer run, ensuring that 99.7% of funds raised directly impact the lives of local women battling cancer.

## How You Can Help

For every woman we have helped, many more need a community to stand by them and support them through their battle. We want our SISTERZ to feel supported, protected, and equipped to focus on their families and healing. That's where YOU come in.

## You can make a difference in the lives of women battling cancer and their families by:

- Making a one-time donation
