

## Wish-Granting Volunteer

Welcome to the Make-A-Wish community!  
Together, we create life-changing wishes for children facing critical illnesses.

*"Volunteering at Make-A-Wish is the greatest, most fulfilling job in the whole wide world."*  
— Jodi, wish granter

### A wish-granting volunteer:

- Helps wish children discover their wish and works in teams of two to plan and fulfill the wish.
- Uses resources wisely by seeking donated goods and services.
- Is a brand ambassador for the organization.
- Makes each wish a unique and memorable experience for the child.

### You'd be great for this position if:

- You are a creative, hard-working person who loves to create memorable moments for others.
- You are an empathetic, compassionate, impact-driven individual who wants to help children, 2 ½ to 18 years old, fighting critical illnesses.
- You have excellent communication skills and enjoy teamwork.
- You enjoy building community, forming meaningful bonds, and want to make a difference locally.

### Role Overview:

With **flexible hours** and a constant list of kids waiting for their wishes to be granted, **you can make a true difference in a child's life at a time that works for you.**

- There is **NO COST** to you. You do not have to purchase anything for a wish. The office takes care of booking trips and incurs budgeted costs.
- **Time well spent:** Wish granters should meet with a wish family at least twice during planning and **complete at least two wishes annually.**

Wish Granters are **community builders** who invite others to participate in a wish through donating their time, talents, or resources.

**You give kids a CHOICE at a time when they have little control, asking them:** *What would you wish for if you could go somewhere, have something, meet someone, or be someone/something for a day?*
