Break off yarn leaving enough yarn to sew around the entire bootie.

Sew bootie all in one go using the whip stitch. Sew down the side of the leg, across the top of the foot, around the toe part, run the yarn neatly through the middle of the sole (between rows 9 and 10 in pattern), then continue to sew up the other leg side, secure yarn and finish off.

Turn the bootie inside out and turn the little cuff over.

You can finish off with some ribbon or a length of chain threaded through the row above the foot piece or anywhere you like.
