

VOLUNTEERS NEEDED!

FOR 9/11 NATIONAL DAY OF SERVICE

National Day of Service - Saturday, September 7th, 9-11 AM.

Our National Day of Service is fast approaching! Instead of doing service for the City Parks or Facilities of our wonderful Spanish Fork City this year, we are excited to have the opportunity to serve the homes of 4 Families in our community. Wards are being involved through their Relief Society and Elder's Quorums. We will share a detailed document of the four projects and each ward's assignments. This will be a wonderful experience for all our ward members. Please encourage everyone to participate.

Instructions:

- We will meet at the Stake Building Parking Lot at 850 AM. Address: 1911 E 1850 S Spanish Fork, UT.
- Project 1 – Wards: MM2; H & CR
- Project 2 – Ward: PM; CP; SV & RC
- Project 3 – Wards: AH1; AH2
- Project 4 – Ward: MM1

For some of the projects, we will need to bring the following:

- Hard rakes; shovels; tarps; gardening gloves; hand wood saws.
- Weed Trimmers, wheelbarrows.
- Trucks and trailers to haul weeds and branches.
- Straps, ropes, Elastic Stretch Cords.
- Flat and Philips Screw Drivers, Cordless Drills
- Adjustable wrenches and socket sets.

We look forward to blessing these families, working together, and getting to know each other. Thank you for your support!

REFRESHMENTS WILL BE PROVIDED AT ALL LOCATIONS!
