2021 Walk to End Alzheimer's Planning Committee

2021 goals

- Recruit more teams to raise funds to advance care, support and research efforts.
- Expand the Planning Committee to reach additional members of the community who are looking for meaningful volunteer opportunities.
- Increase the size and scope of the committee so more can be accomplished throughout the year.

What we ask of you

- Attend the Committee Orientation to receive training on the basics of Alzheimer's disease, learn about Association programs and services, and receive an introduction to the Walk event model.
- Participate in committee meetings held at the Alzheimer's Association office. Meetings are held once a month and are usually 1-2 hours long.
- Start or join a Walk to End Alzheimer's team at alz.org/walk, raise awareness and funds, and join us on Walk day to help us create an exceptional day-of-event experience for our participants.

What you will experience

- An opportunity to enhance personal and professional development skills:
 - Create and implement plans to support and advance a mission
