

INFORMATION

Weekly attendance is expected.

If for some reason you can't make it to a game, please message your coach by the Wednesday before the game so we can adjust the line up.

Any changes to the game schedule due to inclement weather will be communicated through Playerspace as soon as possible.

Play Ball!

Please arrive 15-20 minutes **BEFORE** game time and report to your team tables located behind your dugout. This time is used to check your player in and pair with a buddy.

The player's adult(s) must be present at the field at all times.

After the game, the adult should promptly meet their player outside of the dugout.

Uniforms

All players will receive a jersey and hat at the start of the season. Players must wear this jersey to each game and are encouraged to wear their hat. Baseball pants and gloves are encouraged but not required.

Athletic shoes are required on the field (no one likes to stub their toe in sandals).

Communication

Information will be communicated through Playerspace. Coaches and Miracle League staff will send messages about weekly team updates, inclement weather, schedule changes, etc. For help with using Playerspace, please visit Playerspace.net or email Lydia McGinnis.

Buddies

Each player will be paired with a Buddy to provide assistance and support throughout the game.

If your player brings their own Buddy to the game, please be sure they sign in at the check in table and let your coach know.

Stay and Play!

The Keith Family YMCA has a fully accessible playground located next to the Miracle League Field. We highly encourage players to use the unique play equipment before and after games!

Make Up Games

We do our very best to reschedule games that get canceled due to inclement weather however, game days have a LOT of moving parts so we cannot guarantee that any games will be made up.

No smoking/ vaping

Tobacco products and vapes are not allowed on the grounds at any time.
