

IN-KIND DONATION DRIVE

Thank you for hosting a donation drive to collect essential goods for our families in shelter. By supplying our families with critically needed items, they can focus on the next step of their journey without worrying about the basics.

DRIVE FAQ

What is a donation drive?

Businesses, organizations, communities, and individuals host donation drives to collect items needed by New Life Center (NLC) participants. The drive is spearheaded, planned, and run independently of NLC activities with support of a NLC staff person.

What types of items should I collect?

NLC's largest needs are the necessities listed on our current "Donated Goods Wish List;" found on our website. It's as simple as selecting item(s) from our wish list.

Do you have containers for collecting items?

NLC is unable to provide containers for collecting items. We recommend using recycled boxes and bags.

How do I get donations to you?

Donations should be delivered to Hope's Closet located at 415 N. Litchfield Road Goodyear, AZ 85338. Deliveries are accepted, with no appointment needed, Tuesday - Saturday from 10am to 1pm.

Can I donate money in addition to items?

Yes! In fact, monetary support is the most efficient and effective way to support NLC's mission. Donate online at newlifectr.org/donate or mail checks to PO Box 5005, Goodyear, AZ 85338. Please indicate that your donation is in support of a donation drive by including the name of the group hosting the drive.

CHECKLIST

Decide

Decide what you will collect from NLC's list of "Donated Goods Wish List" and establish a time frame of collection.

Promote

Your communication doesn't have to be complicated - flyers, social media, and word of mouth are perfect ways to inform others about your donation drive. Please see the next page for a flyer template.

Deliver

No appointment is needed during delivery hours. Swing by and drop off your collected goods at Hope's Closet: Tuesday - Saturday from 10am to 1pm. Hope's Closet is located at 415 N. Litchfield Road Goodyear, AZ 85338.
